

November 2010

Dear Stonecroft Bible Studies Leaders,

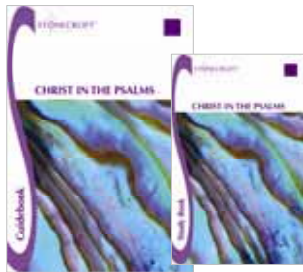

“Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.”

–Ephesians 3:20-21 (NIV)

May this letter find you giving praise and glory to the One, the only One, we serve and share with others—Jesus Christ! Grace and peace to each of you as you lead and minister in your communities for His sake.

Below are listed a number of updates that I hope you find helpful. Exciting things are happening with Stonecroft Bible Studies and small group resources. We hope you will be encouraged! Take note, please, of the few changes—and thank you for your dedication, service, and support of the vision of Stonecroft Ministries.

- ***New SBS Brochure*** We are pleased to announce that the Stonecroft Studies Brochure has been beautifully redesigned and updated to include all our current studies. You can place an order for this product by phone, fax, or email.

- ***Christ in the Psalms*** More than 6,000 people have enjoyed *Christ in the Psalms* since its April 2010 rerelease. See how the Old Testament reveals Jesus Christ even before He walked among us.
- ***Luke*** As mentioned in previous communications, *Luke* is being refreshed and reformatted. We know many of you are eagerly awaiting the study's rerelease, and we hope to have it available by Summer 2011. Stay tuned for updates.
- ***New Cost for Guidebooks*** Beginning January 1, 2011, you will receive one free Guidebook when four or more Study Books of the same study are purchased. Additional Guidebooks will be available for \$6.00 each.

- ***New Book Study—Moving from Fear to Freedom*** Have you ever experienced paralyzing fear? Our newest available book study, *Moving from Fear to Freedom: A Woman's Guide to Peace in Every Situation* written by Grace Fox, will help you not only overcome that fear, but also harness it to bring you closer to God. This book has 10 chapters, and is formatted similarly to *10 Smart Things*. Watch our Stonecroft e-newsletter for our planned December 2010 release date.
- ***Keep the feedback coming – Stonecroft Activity Reports*** We want to hear from you! Share with us how your Stonecroft Bible Studies are going by completing an Activity Report after each study's conclusion. The form is included in your Bible study order and is in the back of each Guidebook. Please return it by mail to the address provided.
- ***Email Addresses Please*** As we strive to improve our continuous communication with our volunteers, please remember to keep us informed of any changes to your email address. You can email changes to *connections@stonecroft.org*.

- ***AWARE, Belong ...and Call*** Similar to our Stonecroft Bible Studies, our Biblical Training Tools are small group Bible studies in evangelism, designed to draw Christians into God's Word. These are great studies for Christians to explore how to engage in the joy of evangelism. If you know people desiring to share their faith and they need a place to start, consider hosting an *Aware* or *Belong* study.

Then, sometime in 2011 we will release our newest Biblical Training Tool entitled “*Call*.” Discover how God wants to use your giftedness to share Christ with others.

As Stonecroft Bible Studies Leaders, you are serving in an area of great need in our world. There are so many today who have very little knowledge of the Bible and Jesus Christ. Stonecroft Bible Studies, Biblical Training Tools, and small group studies take people into His Word and help them discover and grow in their relationship with Jesus Christ.

God has placed you in your communities to be a voice for His Word. We pray that you will *know* exactly where and when to begin these studies, so that people will *know* Him. May the love of Christ shine through you!

Believing Him,
