

Sample Invitation for Informational/Planning Gathering

**Dynamic Women Networking 2010
YOU are invited to experience the excitement!**

*When was the last time you were so excited about a luncheon
that you told everyone about it?*

Re-vitalize your ministry and get EXCITED about reaching women for Christ!

Would your group like to double their attendance, attract lots of first timers, and see many decisions for Christ? Wouldn't you also like to have full Planning Teams, send funds to the Home Office, and have local funds to support new outreach?

ARE YOU REACHING THE WOMEN IN YOUR NEIGHBORHOODS WHO NEED JESUS? The mission of Stonecroft Ministries is to equip and encourage women to **impact their communities with the Gospel of Jesus Christ. So we have to ask ourselves:**

Are we impacting our communities?

First, pray for God to guide you.

Encourage your planning teams to come with you to plan for 2010!

**January 23, 2010
10 am to 2:30 pm**

Sugar Creek Baptist Church, 13333 Southwest Freeway, Sugar Land, TX 77478
You will not want to miss this planning time! RSVP to your AR by January 17.

**I am proposing a networking event with *eternal results!*
Just a few items to spark your excitement:**

Speakers that will clearly present the Gospel and give relevant topical talks:

30 Minute Meals	Lose 10 lbs walking	You and Social Security
6 items that will keep you looking younger		What not to wear
The busy women's guide to organization		Touch your child's heart

Women networking so relationships are formed and women are drawn to our luncheons!

Let's discuss how we can all work together:

- Schedule the dates for our dynamic speakers to do a circuit
- Plan and design invitations through a centrally located printer for professionalism and convenience.
- New name: Dynamic Women Networking
- If you have a business, let's highlight you
- Market Stonecroft at your event with a table and Stonecroft banner

Add a Community Service Project to each event so we can serve and connect in our communities!

Bring your calendars and excitement!
