

# STONECROFT COMPONENT

## *Field Directors*

*Any or all of this can be put into your own words.  
Please make it sound as natural as possible.*

### **Stonecroft Introduction**

*“The fastest way to change society is to mobilize the women of the world.”* — Charles Malik, Former President, United Nations General Assembly

Stonecroft believes we are called to be world changers!

Stonecroft’s Mission Statement: Our mission is to equip and encourage women to impact their community with the gospel of Jesus Christ!

Stonecroft Ministries has been blessed with several godly, gifted, and talented women who serve as Field Directors in their multi-state regions.

Each one works endless hours and travels hundreds of miles throughout their region, equipping and encouraging leaders as they work to build ministry alongside Stonecroft’s regional volunteer leadership teams.

They look for that one woman who has a passion for the Gospel and a vision for their community—the one woman who wants to be a world changer for Jesus Christ!

### **What does a Field Director do?**

A Field Director has many responsibilities:

- ◆ To expand outreach through Stonecroft’s evangelistic bible studies
- ◆ To encourage dynamic and powerful prayer
- ◆ To effectively equip and encourage women to be leaders and forward-thinkers in today’s culture by developing new pilot models of ministry

The role of Field Director is a significant one at this time in our ministry, a time when we all need to explore innovative ways to reach today’s culture for Christ.

***Idea!***

*If you have a Field Director in your region, interview her over the phone or look at the Regional Web Pages ([www.stonecroft.org/elithica2/regional.php](http://www.stonecroft.org/elithica2/regional.php)) to learn more about her heart for the ministry and some of her plans.*

We currently have nine Field Directors across the country living and working in their region.

Each Field Director brings experience in evangelism training, discipleship and leadership development, and passion and enthusiasm to come alongside a woman with a vision to reach her community for Jesus Christ!

***Tell some stories about new ministries.***

Here are just a few of the many stories of how Field Directors are making a difference:

- ◆ Upper Northwest Field Director Pauletta Staley, along with several of her key leaders, developed and started Pray & Play groups across the country, ministering to the needs of young moms and their children.
- ◆ Upper Mid-Atlantic Field Director Nancy Sprowls has developed a connection with Child Evangelism Fellowship that enables her region to host multiple Stonecroft Backyard Bible Studies groups, which has grown into a national relationship between the two ministries.
- ◆ Gail Dudley, Ohio River Valley and NYC Field Director, possesses extensive experience in training for cross-cultural awareness. This year, Gail accepted the position of Cross Cultural Director and has trained more than 300 of our volunteer leaders. We look forward to providing this critical cross-cultural awareness training to women in Planning Team and regional leadership positions across the United States.

*Thank donors for giving to make this possible.*

These are just a few stories of expanded ministries which are taking place throughout the United States because of passionate and focused Field Directors, who desire to not only be world changers but also to identify and support many more in their regions.

We are grateful for our Stonecroft staff in the field and in our Home Office who work hard every day to support and serve groups like ours across the country.

They are grateful for your support, experienced both in faithful prayer and donations.

*Provide Opportunity to Give to Stonecroft Ministries.*

Your donations make it possible to hire talented staff across the nation!

Please help to continue to build staff both in the field and the Home Office. Your donations help to identify, train, and provide compensation and benefits to each of our employees.

Would you help us to move toward the goal of hiring trained staff to support every volunteer around the world as we seek to encourage and equip them as their leaders?

We are relying solely on God's timing and direction in this matter and ask for your prayers as we seek His leading.

Today, if you would like to give to the ministry of Stonecroft, there are envelopes at your table. If you fill out the necessary information, you will receive a receipt for your gift.

Thank you so much for your donations!

*Consider printing out the Field Director's information from the Regional Web Pages, then pray for them. Pray at the podium or around the tables in small groups—whatever works best.*

Let's take a moment to pray for the Field Staff now. Pray for:

- ◆ Each Field Director, by name
- ◆ Energy and strength to accomplish the job God has called them to
- ◆ Passion and commitment to prayer and God's Word
- ◆ Balance between family/personal life and ministry
- ◆ Wisdom needed to lead their region
