

MOMS ON THE RUN PRESENTS....

“MOMMY LOVES ME!”

Love your children in a way that builds them up and encourages healthy self-esteem and a positive self-image.

Nancy Reimann, mom of two, business owner and former sales and marketing trainer, will share what she has learned about the foundational building blocks for loving your kids and the difference it has made in her family. Come and bring a friend! Discover how to identify your kids’ “love languages” and the dialect that speaks to them and fills their “love tank.” Get new ideas on how to genuinely express love and strengthen family relationships so your kids really understand that *“Mommy loves me!”*
