These are the caterers that we enjoy using and highly recommend. They all have great food and great service brought to you at a fair price. Each supplies flavorful food. Please keep in mind that the style, type and quality of ingredients used is what primarily sets them (and their prices) apart from each other.

We strongly encourage you to use these caterers as they know the details and logistics of doing an event at Stonecroft. This in itself will be very beneficial to you. We reserve the right to refuse certain catering companies from working on our premises.

A microwave\* and a refrigerator may be used as needed. Use of Stonecroft's ovens, cooking stoves, service ware, dishes, utensils, and supplies\*\* is not permitted.

Food or drink is not to be brought into any of the facilities unless it is pre-packaged for individual use and ready-to-serve. Homemade goods are not permitted in the facilities.

For all meals held on the premises, Stonecroft Ministries provides a Hostess/Host at a cost of \$45 for the first meal (for two meals: \$85, three meals: \$120). The Hostess will assist in logistical coordination on the property during the event with the caterer for all meals and prepare the complimentary coffee & water breaks.
