“Stonecrock Ministries provided a format that helped me learn to be concise and encouraging, while pointing women to personal faith in Jesus Christ. The many opportunities to speak through Stonecrock Ministries helped to launch me into a full time speaking ministry, and now I have the privilege of working at my favorite hobby—speaking and writing about things that have eternal value. I highly recommend their training.”

Speak Up With Confidence

“Once I began speaking at Stonecrock events I met women in leadership at churches and conference centers and these introductions led to bookings at conferences and retreats. Stonecrock Ministries has been my greatest tool for opening doors to other opportunities.”

- Janice Mayo Mathers
Speaker and Author

“There is nothing quite like the Stonecrock Ministries' speaker training process. I was equipped to tell my story one-on-one and also before a large group. To see people come to know Jesus is the most exciting thing in the world!”

- Vera Velk
Stonecrock Speaker Consultant

“Speakers trained by Stonecrock are theologically sound, bringing the Message of salvation through the background of their own indisputable experience.”
