Re: Impact '08 September Press Release

Dear Volunteer,

Impact '08 is less than one month away!

As we head down the home stretch, getting the word out to as many people as possible is increasingly important. Attached you will find the final press release in our four part series designed to spread the word. It is ready for immediate submission to your local newspaper. We urge you to send it in!

Thank you in advance for sharing Impact '08 with your community.

In Christ,

Jeff Zogg

Director of Communications
