Immeasurably More ~ 80th Vision Events

Have any of you experienced life challenges, disappointment, anxiety, discouragement, or fear?

We **all** have.

And in those moments, the **LORD** is present. He is faithful and He sustains us.

So often, He changes our lives for the better in those most painful places. We get more intimate with God, more real with others, and we cling more tightly to His every word.

Sometimes, *(pause)* God uses Stonecroft as His change agent. How sweet it is to be involved in the transformation of a woman's life. In fact, not just a few women, but hundreds of thousands of women have come to Christ over many, many years.

Stonecroft has blessed us, ministered to us, and helped strengthen our faith for a long, long time. And we, as part of Stonecroft, could not have done without your help.

(pause and smile) I am excited to tell you that our story goes on. God continues to use us – **you** – to minister to the hearts of women in every generation. *(pause and emphasize)* **And I need to tell you that women of every generation, no matter how secure they seem on the outside, are desperate for Jesus.**

Let me tell you, God is moving on the young women in this nation. You'll be delighted to know that hundreds of young women have raised their hands, responding to God's call to engage the women in their communities across the United States. More than two dozen have already founded what we call "Hubs."

Some women meet in coffee shops and other places to tell the stories behind their tattoos – cancer, single motherhood, addictions, and fears. They talk about it all in fellowship with Christian sisters, and to share their story of Christ's redemption to those who don't know Him.

Exhausted, stressed out women love our approach to **Detox – find your balance**, an expo style event with local vendors presenting ideas for renewing the mind and nurturing the body. And listen to this – Stonecroft provides strength for the spirit **and** the body.

All of these women need ongoing fellowship and to continue to learn about Jesus' love for them. Stonecroft Bible Studies and Conversations help them do just that.

God keeps calling on Stonecroft because –

there is still work to do.

Revival can begin right here, right now in this room – and spread to our Groups, our community, our country, and our world. Keep up the great ministry work we are doing in our Groups. Persevere in prayer. Every time a Women's Connection Group or hub gathers, every time the Gospel is communicated, God hears.

Listen – He can do **immeasurably more** than we can ask or imagine as more women continue to share the Gospel.

Stonecroft is fueled by your generous gifts. Would you invest in the next 80 years of this ministry to his daughters – your sisters?

2 Corinthians 4:15 tells us “... as God's grace reaches more and more people, there will be great thanksgiving and God will receive more glory.”

Thank you.
