On behalf of the National Board of Directors, I am pleased to announce the appointment of Dr. Naomi Cramer Overton as President and CEO of Stonecrock effective Oct. 15.

Dr. Overton brings to Stonecrock a proven record of effective leadership in nonprofit ministries, including service as President and CEO of MOPS International, Director of Product Strategy and Child Advocacy for Compassion International, and Founder of Women of Compassion, a global mentoring and leadership development group affiliated with Compassion International. In addition, Dr. Overton served as a delegate to the Third Global Congress on World Evangelization, the Lausanne Movement.

Dr. Overton also brings to Stonecrock an impressive educational background. She holds a Doctorate in Missions from Fuller Theological Seminary and earned an MBA in Organizational Entrepreneurship from the Anderson Graduate School of Management at UCLA. Her undergraduate degree in Political Science with Communication is from Stanford University. It was at Stanford that she met the Lord.

Dr. Overton is married to her college sweetheart, Frank. They are the proud parents of three grown children and live in Larkspur, Colorado.

Throughout the CEO search process conducted by Stonecrock's Board, Dr. Overton showed herself to be a highly qualified and capable leader with a passion to help others know her Savior, Jesus. When asked to explain how this role at Stonecrock speaks to her heart, Dr. Overton responded, "Jesus and women – my purpose is Jesus."

As one of her highest priorities, Dr. Overton desires to connect with Stonecrock volunteers and immediately will begin traveling across our country to learn how the Ministry impacts your lives. We are confident you will enjoy getting to know her and will find in her a kindred spirit and a shared passion to reach women with the Gospel.

The Board of Directors wishes to thank all of you for your prayers during this search. Led by Dr. Overton, we look forward to a future of substantial growth and Kingdom impact through Stonecrock.

Please welcome Dr. Overton in whom we believe God has provided "Immeasurably More!" (Ephesians 3:20, NIV).

Warmly in Christ,

Emily Firnstahl
Chair of the National Board of Directors
