

Planning team questions to guide your prayerful decisions to re-open

DISTANCE WAYS TO MEET

Consider joining **The Stonecroft Experience** for tools, resources, and community. We are so excited to share it with you. Invite your planning teams! Stonecroft.org/experience

Some ideas we recommend:

- Zoom Outreach Events – See "2020 Best Practices of Digital Outreach" for tips on how to use these wisely.
- Utilize Stonecroft Bible Studies as your outreach outlet right now. Depending on the regulations in your state, starting small Bible study groups in a home may be a great first step!
- Use *Where Love Lives* or the *Conversation* series as other small group tools.
- Consider a "drive-in" outreach or outdoor venue.
- Check out "50 Ways to Love at a Distance" for creative relational and one-on-one ways to share Jesus.
