Pray for the Nation’s Military Women

Use this resource to help organize the first prayer times to seek the Lord for military outreach in your community.

A suggested format for prayer is the ACTS model: Adoration, Confession, Thanksgiving, and Supplication

Key Scriptures:

Psalm 91 New Living Translation (NLT)

Psalm 34:7 “The angel of the Lord encamps around those who fear Him and He delivers them.”

Psalm 103:8 “The Lord is compassionate and merciful, slow to get angry and filled with unfailing love.”

Why Military Outreach?

- Military marriages average a higher divorce rate than civilian marriages, and numbers continue to increase.
- Suicide and Post Traumatic Stress Disorder (PTSD) are on the rise due to frequent deployments.
- The United States has been at war for the majority of the past 20 years—our men and women face fatigue, frequent deployments, and major issues related to war-time matters.
- On average, military families move every two to four years, which can create major disruptions in marriages and children’s schooling, as well as the ability to make and keep long-lasting friendships.
- There are more than one million children in military families.
- Most military families live far away from immediate family members, therefore they lack the support to help raise their children or enjoy holiday celebrations.
- Loneliness and isolation are two major areas that affect military women.

See Articles and Statistics on Military for more information.

“As a ministry, as women of God, we are compelled to reach out to military women who feel the impact of war’s devastation. In our own land, women’s hearts are broken and the needs are great. We pray for opportunities to share the Living Water that only Christ can give. Stonecroft connects women with God. When we touch one woman with the love of Christ, we have also touched a family, a community, a nation”

Pauletta Staley, Stonecroft National Director of Military Ministry
