

# PRAYS

## Leader Notes and Reminders

### Notes for the prayer time:

- Be sure to find the Prays! notes handouts and sign-in sheets on the website. Just go [stonecroft.org/prays](http://stonecroft.org/prays) and click on “Resources.”
- Pass the sign-in sheet around at each gathering to provide names for your local database and offer attendees the opportunity to learn more about Stonecroft through receiving our e-newsletter. The Prayer of Preparation is optional.
- Encourage those who speak during discussion times to keep their responses brief so everyone can participate.
- It is important to focus your prayer time on asking God to open new avenues of sharing the Gospel with women in your community.
- If your group has been meeting for a few months they might be ready to discuss ways to reach out into the community. Bring this up and see if some discussion time should be included. An excellent next step is to consider Aware, Belong, and Call.

### Ideas for inviting others:

- Keep your eyes open for those God may be calling to be more involved. Christians long to be part of a group used by the Lord to share His life changing message. How might the Lord be speaking about inviting others to join?
- Are any participants ready to start a 2nd or 3rd Prays! in their neighborhood? Do you know other women who could come and experience a Prays! prayer time and then lead one themselves? Pray about this.
